

St. Mary's Academy
2022 Summer Assignment

Welcome to AP Calculus! To prepare you for the fall semester I have created several assignments on Deltamath to reinforce certain skills that will be needed for you to be successful. To register, follow the instructions below.

1. Visit www.deltamath.com
 - a. If you already have an account with your OLM email address
 - i. Go to **TOOLS** then **MANAGE LOGIN AND TEACHERS**
 - ii. Enter my teacher code: **770544**
 - iii. Select the **AP Calculus Summer Assignment** section
 - b. If you do not have an account with your OLM email address
 - i. Select **Create Account**
 - ii. Enter my teacher code: **770544**
 - iii. Follow the instructions for creating your account
 - iv. Select the **AP Calculus Review 2022** section
2. Complete the assignments at your own pace over the summer
 - a. I recommend you work on the assignments each week.
 - b. Take your time as you work on the assignments.
 - i. Each assignment requires you to correctly answer a certain number of questions.
 - ii. Incorrect responses reduce your current score, so be careful.
 - iii. Show your work as you complete the assignments (on a notebook)
 - c. All assignments will open on June 1.
3. Grading
 - a. This assignment will be used as a review quiz the first week of classes.

If you have any problems setting up your account, entering the course, or questions in general please contact me via email: ademello@mercycatholic.org. Welcome to the class and I look forward to working with you this year!
