**Principal's Phoenix Flyers:**

Hello RAHS Families and Community!

This is our last NOTAM for a few months, so I just want to wish everyone a fun, safe, relaxing and sun-filled summer! We ended the 2021-2022 school year on such a positive note!

Congratulations to **100% of the Class of 2022 Graduates!** You did it! Despite the many challenges, you persevered and crossed that finish line – earning over three million dollars in scholarships and getting ready to soar off to colleges and universities across the US. We all wish you the very best of luck in your future!

Thank you to all of our amazing sponsors and benefactors for the many accolades and awards that went out to seniors on scholarship night. We appreciate **Washington Seaplane Pilots Association, the Sea Tac Tukwila Rotary, RAHS PTSA, University of North Dakota, Bruce McCaw Foundation, James and Sherry Raisbeck Foundation, ERAU Prescott, the Purdue University Research Foundation, the J. David Brock Memorial and Scott McComb, Society of Chinese Engineers, the Zayic Family, Chris McCrae and the Bob Larson Family, Suzy Bruya and the Chuck Flora Family, and Peter and Sarah Anderson.** Your generous support has made it possible for our students to follow their dreams!

We truly appreciate the support of our **RAHS PTSA** for all of their generosity and support this year. From supporting the many activities of our clubs and teams, to providing resources and opportunities for staff members, and especially for the very fun ice cream social last week – **thank you from everyone!** Thank you to all who came out this past Friday night for the **Solar Car Reveal!** Our Green Energy Team will be heading off to Texas in July to defend their national championship title! **Let's go for a three-peat!**

And finally, a huge shout out to all of our **RAHS Staff** who worked tirelessly this year to keep the school open, safe and welcoming for our most precious gift – our students. The hard work each day is so very valued and appreciated. We say goodbye this year to **Mr. Bien-Aime**, who will be going on to work for the Boeing Company – he has pledged to return as a mentor though! And of course, a very special “so-long” to **Theda Hiranaka** who is retiring after dedicating many years to RAHS as a parent volunteer and staff member. Theda will be back to help us through registration in August, and then it is on to her future - spending time with her grandson!

Again, I hope everyone enjoys some special time this summer with family, friends and loved ones. See you in August!
