Aiming for Success for Spring Branch ISD Students and Teachers

Community members – from business professionals to SBISD staff and families – came together for a beautiful day of clay shooting and supporting the students and teachers of Spring Branch ISD. Sporting Clay Tournament Co-Chairs Doug Goodson and Rob Stewart welcomed a record-setting 58 teams to the Greater Houston Sports Club. Sporting Clay participants gave big and gave often to support Spring Branch Education Foundation and the Foundation’s mission to fund programs that enhance education and prepare Spring Branch ISD students for the future.

Chair Rob Stewart summarized the event’s success. “We are overwhelmed with the support from the community. Once again, everyone came together for a great day of shooting, but never lost sight of our goal: to raise needed funds to support the teachers and students of Spring Branch ISD.”

The event was another record-breaker for the Spring Branch Education Foundation. With revenue totaling over \$137,000, SBEF is honored to leadership commitments this year from the event’s top sponsors: Wright Asphalt, First Community Credit Union, J. Carter Breed Properties, and Raba Kistner. SBEF also saw tremendous support from every single participant – together, they combined for more than \$20,000 in raffle ticket, mulligans, and flurry sales the day of the event! Funds raised at the Sporting Clay Tournament support grants for innovative programs implemented by Spring Branch ISD teachers.
