SBEF Celebrates 75 Years of Excellence in Spring Branch ISD

On March 25, the Spring Branch Education Foundation's Diamond Gala will recognize Spring Branch ISD's long history of inspiring students and teachers to achieve their dreams. Gala Chairs Joy and Don McComack will honor SBISD's accomplishments and raise the funds needed to make a difference in the lives of the children in our district for many years to come.

Since 1993, Spring Branch Education Foundation has worked alongside Spring Branch ISD to support both students and educators. SBEF partners with Spring Branch ISD and the community to fund programs that enhance education and prepare our students for the future. For the last seven years, SBEF has given more than \$1 million to Spring Branch ISD annually. In 2021, SBEF also funded every SBISD teacher grant request, provided school supplies for each student at all SBISD Title I pre-kindergarten, elementary, and middle schools, and awarded \$186,100 in scholarships to graduating SBISD seniors.

Gala Chair Joy McCormack said, "I am honored to chair this historic event. Time and time again, I've seen our community join together. Whether that is our district and teachers supporting our students, parents reaching out to assist those in need in the community, or SBEF working to give opportunities to every teacher and child in SBISD, we find ways to help one another. With this Diamond Gala, we are all coming together for one special night with one critical goal – to raise funds to help SBISD teachers and students realize their potential."

If you are interested in attending the SBEF Diamond Gala at the Royal Sonesta on March 25 or would like to support the event in another way, please contact Megan Trennel at Megan.Trennel@SpringBranchISD.com.
