

ABBOTSHOLME
AN EDUCATION FOR LIFE

Teacher of PSHRE and Biology

This is an exciting opportunity to commence from September 2022

Set in the beautiful surroundings of rural Derbyshire, Abbotsholme is a small, independent, co-educational boarding and day school for ages 4-18, with additional nursery provision. It is a school unlike any other, a wonderful place in which to learn and develop, where each child's contribution is properly valued and encouraged throughout.

We are seeking a dynamic and inspirational teacher to plan and deliver PSHRE, mainly at Key Stage 3-4 but including some at KS2. They would also plan and deliver Science at KS3 and Biology at KS4. The successful candidate will have a high profile in promoting values consistent with the school's ethos.

Applicants should be confident, optimistic, approachable and emotionally resilient. We seek an excellent classroom teacher with the philosophical depth to provide creative leadership in this area of the curriculum.

A full-time appointee would be expected to make a contribution to the broader life of the school through involvement in sporting, extra-curricular or boarding programmes. An ability to offer a second subject would be an advantage but not a requirement.

We can offer the successful candidate excellent benefits including a competitive salary, staff discount scheme for school fees, a well-resourced department, tailored CPD appropriate to the chosen individual and the opportunity to work in a beautiful rural estate.

For an application form, please contact:
Julie Noon, PA to the Headteacher (julie.noon@abbotsholme.co.uk or call 01889 590217)

Closing date for applications: 5.00pm 22nd June 2022
