Embracing the extraordinary in every child.

Summer Reading

(For students entering grades 1 through 4)

Dear Parents,

Summer is here and it's time to read! Students entering grades one through four will be given an optional summer reading packet that includes a log as well as activities meant to encourage reading throughout the summer. These packets will be sent home during the last week of school and also posted on the website under "Backpack." Students may choose from the suggested books listed by grade level, but may also pick a book, not on the list that interests them. Children can share their completed packets and logs with their teacher at the beginning of the 2022-2023 school year. Happy reading!

The Lower School Teachers
