

Northshore
School District

To the Class of 2022,

Congratulations on your graduation! Our hope is that you take everything you have achieved, especially in the past two years, to support you in achieving your future goals. Dr. Reid always says, "Learning happens best in community." The Northshore School District is better because of you. While you may have been a student in our schools, we have been learning along with you. We are taking what we've learned from each of you and continuing to invest in educational excellence for the future of Northshore. As you begin the next steps of your journey, our hope is that you will remain connected with our community. We want to share highlights with you and hear how you're doing! Using the scan code, please take a few moments to complete a short form so we can stay connected. (All Northshore alumni from classes prior to 2022 are invited to complete the form!)

Congratulations Class of 2022! The Northshore School District will always be here for you!

~One Northshore~

Congratulations

The Woodinville High School graduating Class of 2022 and their parents and guardians have worked many years to achieve this milestone. As a courtesy to the graduates and their families, please turn off any electronic devices and refrain from using any noisemakers or celebrating excessively throughout the ceremony, especially during the reading of the graduates' names. The ceremony will turn into a celebration once the last student has crossed the stage and the tassels are turned. Upon completion of the ceremony, please meet your graduate on the paved walkways that surround the perimeter of the field or outside the stadium.
