Student Registration in MathXL® for School

Step 1: Go to www.mathxlforschool.com.
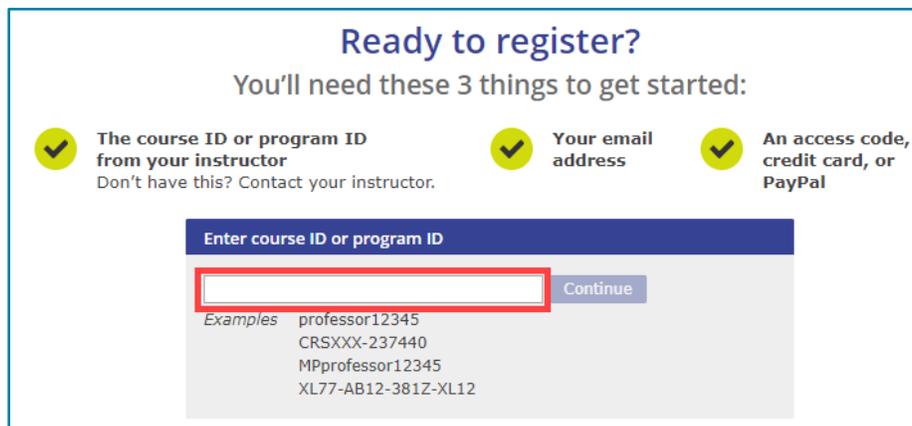

Step 2: Under Register, select **Student**.

You will need 3 things to get started:

1) Your email address
2) An access code
3) Your teacher's course ID

Once you have these 3 things readily available, click **Register**.

Step 3: Enter the Course ID provided by your instructor. A Course ID looks something like this: XLAB-C1JK-2MNO-0YZ3. You will need to enter the dashes(-) when typing in your Course ID.

Step 4: Please **Create** an account.

If you have a Pearson Account from your previous school, please still create a new account using either a parent email or your Maryvale email address.

Student Registration in MathXL® for School

Step 5:   Select the **Access Code** button to get access to your course.

Note: An Access Code is *not* the same as a Course ID.

An Access Code consists of 6 "words", such as:

HSMXL-CANAL-PARCH-STONY-MOULD-LUCKY.

> **Use an Access Code**
>
> A prepaid access code might come with your textbook or in a separate kit.
>
> **Access Code**

Step 6:   Click **Go to My Courses** on the confirmation screen that displays in your browser.

> **You're done!**
>
> Check your email for a registration confirmation.
>
> Print this page as your receipt.
>
> **Your Course**
>
> **Your Course Name**
> Course ID: XXXX-XXXX-XXXX-XXXX
> Taught by Your Teacher
> Course End Date
>
> **Go to My Courses**

Step 7:   Enter your teacher's Course ID again, then click **Enroll**. Verify that the course is correct, then click **Enroll** again.

> **Enroll in a new course**
>
> **1) Choose how you will work in MathXL for School:**
>
> ● I am taking a course that is using MathXL for School, and need to enroll in my instructor's course.
> ○ I am studying on my own, and need to choose a textbook.
>
> **2) Enter your Course ID provided by your instructor:**
>
> [ ] - [ ] - [ ] - [ ]
>
> Switch to single box for pasting your Course ID
>
> Sample Course ID: XLAB-C1JK-2MNO-0YZ3
> If you do not have a Course ID, contact your instructor.
>
> Cancel   **Enroll**

Step 8:   On the Enrollment Confirmation screen, click **OK** to begin working in your MathXL for School course.
If the five assignments do not show up on your home screen, please click on **Homework and Tests** to locate them.

Step 9:   From your Course Home page, click to run the **Browser Check**. The Browser Check will help you install any software your computer might need to run MathXL for School. After installing the software, close and re-open your browser. Your setup for MathXL for School is now complete!

Note: If you are using a school computer, this step was probably taken care of by your school.

> **Welcome to MathXL for School**
>
> To get started, run **Browser Check** to make sure you can view course materials.
>
> View How to Enter Answers to learn how to enter answers with math notation.
