Video Surveillance

The Board authorizes the use of video cameras on District property to ensure the health, welfare, and safety of all staff, students, and visitors to District property, and to safeguard District facilities and equipment. Video cameras may be used in locations as deemed appropriate by the Superintendent.

The District shall notify staff and students through student/parent and staff handbooks that video surveillance may occur on District property.

Students or staff in violation of Board policies, administrative regulations, building rules, or law shall be subject to appropriate disciplinary action. Others may be referred to law enforcement agencies.

Video recordings may become a part of a student's educational record. Such recordings can be used as part of an investigation involving personnel but will not become part of the personnel file. The District shall comply with all applicable state and federal laws related to record maintenance and retention.

Audio shall not be part of the video recordings made, reviewed, or stored by the District.
