

Lewistown School District

NON-INSTRUCTIONAL OPERATIONS

8421

Computer Software

The unauthorized copying of any computer software which is licensed or protected by copyright is theft. Failure to observe software copyrights and/or license agreements may result in disciplinary action by the District and/or legal action by the copyright owner.

No District-owned computing resources should be used for unauthorized commercial purposes.

Policy History:

Adopted on: June 28, 2004
