
Full Name

Fergus Electric Lineman Scholarship Supplement

This scholarship offered by Fergus Electric Cooperative is for a Montana student who plans to attend an accredited line technician school. A \$3,000 scholarship will be awarded annually. In addition to the \$3,000 scholarship, Fergus Electric will provide a direct payment of \$3,000 to the student upon graduation from line technician school.

To apply for this scholarship, please use the Central Montana Scholarship Clearinghouse application. If you are a graduating senior, use the “graduating senior” application, and if you are post-high school, use the “College student” form (even if you have not attended college.)

Please provide a personal statement detailing your goals and career intentions. (Please limit your response to 300 words or less.)

You must submit this supplement with your application.
