

HELP WANTED

Do you have 1 hour a week that you could give to PTO? We are looking for a school representative for each of the four schools that PTO supports. This is a great way to see what PTO is all about and to get involved with PTO without a large time commitment.

Representative duties would include:

- ☆ Checking the PTO Box weekly and delivering any reimbursement requests to the PTO Treasurer
- ☆ Being the point of contact for the principal of your school
- ☆ Coordinate volunteers for any special needs that your school may have (*this will not include the two major fundraisers that PTO does each year*)

If you are interested please contact any of the PTO board members.
