2018 – 2019 STUDENT ACCIDENT INSURANCE COVERAGE

Dear Parent,
Your School chose to carry medical insurance for students injured in accidents on school premises. The School has also approved a medical and dental accident insurance plan worthy of your consideration to add to coverage purchased. This coverage will extend the hours your child is covered and also may cover your child during certain activities not covered in the school purchased plan. We urge you to consider the benefits described in this brochure.

OPTIONAL 24-HOUR ACCIDENT COVERAGE (EXTENSION) – Insurance coverage is extended to provide for covered injuries that occur other than during the hours and days when school is in session and/or while attending or participating in school sponsored and supervised activities on or off school premises. The Extended Accident Coverage provides coverage during the weekends and vacation periods, including the entire summer. No coverage is provided for participation in interscholastic tackle football. No coverage is provided for participating in Interscholastic Sports or school sponsored/supervised activities covered under the Student Accident Insurance Program purchased by the school.
Annual Premium: Voluntary Plan: $45.00 Plan 4: $98.00

OPTIONAL 24-HOUR DENTAL COVERAGE (Can be purchased separately or with other coverage) – Insurance coverage is in effect 24 Hours a day. Injury must be treated within 60 days after the Accident occurs. Benefits are payable within 12 months after the date of Injury. The maximum eligible expenses payable per covered Injury is $25,000. In addition, when the dentist certifies that treatment must be deferred until after the Benefit Period, deferred benefits will be paid to a maximum of $1,000. The Student must be treated by a legally qualified dentist who is not a member of the student's Immediate Family for Injury to teeth. Coverage is limited to treatment of sound, natural teeth. **Annual Premium: $7.00**

COVERAGE PERIOD – Coverage under the Optional 24-Hour Accident Coverage (Extension) and the Optional 24-Hour Dental Coverage starts on the date of premium receipt but not before the start of the school year. Optional 24-Hour Accident and Dental Coverage ends when school reopens for the following school year. Coverage is available under the plan throughout the school year at the premiums quoted **(no pro rata premiums available)**.

EXCESS COVERAGE PROVISION If an Injury to a covered Insured results in a Loss for any of the benefits provided under the Policy and the Insured is covered by any Other Plan, all benefits payable by the Other Plan will be determined before benefits will be paid by this Student Accident plan. This Policy is subject to the Deductible amount shown on the SCHEDULE OF BENEFITS, if any. This provision will not apply if the total Reasonable Expenses incurred for Hospital and Professional Services Benefits are less than the amount stated in the Schedule of Benefits under Excess Coverage Applicability.

MEDICAL BENEFITS When a covered Injury to a student results in 1) treatment by a legally qualified Physician or surgeon (other than a member of the immediate family or person retained by the school) or 2) Hospital confinement, and treatment begins within 30 days from the date of Injury, the Company will pay the benefit as shown in the Schedule of Benefits, subject to the Excess Coverage Provision above. Only eligible medical expenses incurred by the Insured within 52 weeks from the date of the Accident are covered. Benefits for any one Accident shall not exceed in the aggregate the maximum stated in the Medical Benefit plan purchased. Expenses incurred after one year from the date of Injury are not covered, even though the service is a continuing one, or one that is necessarily delayed beyond one year from the date of Injury.

ACCIDENTAL DEATH, DISMEMBERMENT AND LOSS OF SIGHT When a covered Injury results in any of the Losses to the Insured which are stated in the Schedule of Benefits for Accidental Death, Dismemberment, or Loss of Sight then the Company will pay the benefit stated in the schedule for that Loss. The Loss must be sustained within 365 days after the date of the Accident.

The maximum benefit payable under this provision is stated in the Schedule of Benefits under Maximums and Benefit Period: 1) Life 2) Both Hands or Both Feet or Sight of Both Eyes; 3) Loss of One Hand and One Foot; 4) Loss of One Hand and Entire Sight of One Eye; 5) Loss of One Foot and Entire Sight of One Eye; 6) Loss of One Hand or Foot; 7) Loss of Sight in One Eye; 8) Loss of Thumb and Index Finger of the Same Hand.

Half of the maximum benefit will be paid for the Loss of one Hand, one Foot or the Sight of one eye. Loss of Hand or Foot means the complete Severance through or above the wrist or ankle joint. Loss of Sight means the total, permanent Loss of Sight in One Eye. The Loss of Sight must be irrecoverable by natural, surgical or artificial means. Loss of Thumb and Index Finger of the Same Hand means complete Severance through or above the metacarpophalangeal joints of the same hand (the joints between the fingers and the hand). Severance means the complete separation and dismemberment of the part from the body. If the Insured suffers more than one of the above covered losses as a result of the same Accident the total amount the Company will pay is the maximum benefit. Benefits paid under this provision will be paid in addition to any other benefits provided by the Policy. Benefits under this provision are subject to all other provisions of the Policy, including all Coverage and Limitations, Maximums and Exclusions.

DEFINITIONS Injury means bodily injury caused by an Accident. The Injury must occur while the Policy is in force and while the Insured is covered under the Policy. The Injury must be sustained as stated on the face page of the Policy, except where specifically stated otherwise in the Policy. **Accident** means a sudden, unexpected and unforeseen, identifiable event producing at the time objective symptoms of an Injury. The Accident must occur while the Insured is covered under the Policy. **Other Plan** means any other valid and collectible insurance or self-funded plan to which the Insured or Policyholder is entitled, providing for accident and sickness benefits, whether or not a claim is made for the benefits, such as: individual and family type insurance coverage; group, blanket or franchise insurance, group hospital, medical service; or "No-Fault" auto legislation, where applicable. **Reasonable Expense** means the usual, reasonable and customary fee or charge for the services rendered and the supplies furnished in the area where and at the time such services are rendered or supplies furnished. Such services and supplies must be recommended and approved by a Physician. FAIR Health is utilized to determine Reasonable Expenses. The rate is based upon the procedure performed by a Physician in accordance with the geographical area, by zip code, and the Hospital and Professional Services Benefit is processed at the 80th percentile. The Insured's health care provider may charge more than the limits established by the Policy's definition of Reasonable Expenses and the additional charges may not be covered by this Policy.

EXCLUSIONS No Benefits are payable for Hospital and Professional Services for the following: 1) Injuries which are not caused by an Accident; 2) Treatment for hernia, regardless of cause, Osgood Schlatter's disease, or osteochondritis; 3) Injury sustained as a result of operating, riding in or upon, or alighting from a two-, three-, or four-wheeled recreational motor vehicle or snowmobile; 4) Aggravation, during a Regularly Scheduled Activity, of an Injury the Insured suffered before participating in that Regularly Scheduled Activity, unless the Company receives a written medical release from the Insured's Physician; 5) Injury sustained as a result of practice or play in interscholastic tackle football and/or sports, unless the premium required under the Football and/or Sports Coverage provision has been paid; 6) Any expense for which benefits are payable under a Catastrophic Accident Insurance Program of the State Interscholastic Activities Association; 7) Treatment performed by a member of the Insured's Immediate Family or by a person retained by the School; 8) Injury caused by war or acts of war; suicide or intentionally self-inflicted Injury, while sane or insane; violating or attempting to violate the law; the taking part in any illegal occupation; fighting or brawling except in self defense; being voluntarily legally intoxicated or under the influence of alcohol as defined by the laws of the state in which the Injury occurs; or being under the influence of any drugs or narcotic unless administered by or on the advice of a Physician; 9) Expense incurred for treatment of temporomandibular joint dysfunction and associated myofacial pain; and 10) Expenses incurred for experimental or investigational treatment or procedures.
