

Restorative Justice Practices Collaborative

Virtual Meetings

2022 – 2023

The Restorative Justice Practices (RJP) Collaborative holds a monthly meeting where restorative practitioners in education come together to network, share ideas that could be helpful to other practitioners, and share successes as well as challenges being experienced while implementing RJP.

This collaborative also maintains the RJP Shared Drive and list-serve to connect educators and provide resources to continue implementing RJP in both in-person and virtual environments.
