Supplies such as dry erase markers, glue sticks, pencils, crayons, and colored pencils may need to be replaced throughout the year. It may be helpful to purchase these heavily-used items during the summer back-to-school sales and tuck them away for future use. **

This year in music students will be learning to play the soprano recorder. Please purchase a Yamaha YRS 23 Soprano recorder. While there are many variations of soprano recorders readily available, some feature different fingerings, or other imperfections. The recorder should cost less than \$10. Thank you for supporting your child's music education!
