

Supt. Update 6-15-2022 End-of Year Note

1 message

Wed, Jun 15, 2022 at 10:30 AM

Dear DCS families,

Thank you for your continued trust and support throughout this school year. As this school year winds down, everyone is collectively breathing a sigh of relief that we made it through the entire year. Our kids are being kids and enjoying childhood. They're seeing their friends, making new friends, playing on playgrounds, performing on stages, and playing on/in fields/courts/pools/gyms. The entire year has been a marathon of trust that we can keep our kids in school and finish strong. In two more days, we can celebrate that we made it.

As summer break approaches, I want to share several important items:

- **School Calendar:** The 2022-2023 school calendar will be made available early next week as we wrap up negotiations. The first day of school will be on Tuesday, September 6th. We will send the rest of the calendar early next week. Thank you for your patience. [We do have the back-to-school calendar ready with open house dates, orientations, picture day, etc. It is attached to this message.](#)
- **Multigenerational Activity Millage:** The DCS Board of Education placed a Multigenerational Activity Millage proposal on the August 2, 2022 election ballot. Information on the millage proposal is available on the [DCS website](https://www.dexterrecmillage2022.com/) or at <https://www.dexterrecmillage2022.com/>. In addition, public forums and Q & A sessions will continue throughout the summer.
- **Virtual Learning Options K-8 at DCS for Fall 2022:** Dexter Community Schools is pleased to offer a full-time, or part-time, virtual program for learners grades Y5-8. The DCS virtual learning program allows families a flexible learning opportunity while still being part of our school district, including opportunities to participate in school activities and events. Families are also able to utilize school resources, such as counseling and special education services, while taking courses completely online. If you are interested, please view the [slideshow](#) and contact Ann Pregont (pregonta@dexterschools.org).
- **Iron Dread Workout Schedule for Summer:** DCS offers a strength and conditioning program, Iron Dreads, for any DCS athlete in middle and high school. The program continues throughout the summer. The schedule is included below and the sign-up link is: [TINYURL.COM/IRONDREAD22](https://tinyurl.com/irondread22).

SUMMER TRAINING SCHEDULE **SUMMER TRAINING SCHEDULE**

SUMMER 2022
STARTING MONDAY, JUNE 20TH
