To the Class of 2022

Congratulations on your graduation! Our hope is that you take everything you have achieved, especially in the past two years, to support you in achieving your future goals. Dr. Reid always says, “Learning happens best in community.” The Northshore School District is better because of you. While you may have been a student in our schools, we have been learning along with you. We are taking what we've learned from each of you and continuing to invest in educational excellence for the future of Northshore. As you begin the next steps of your journey, our hope is that you will remain connected with our community. We want to share highlights with you and hear how you’re doing! Using the scan code, please take a few moments to complete a short form so we can stay connected. (All Northshore alumni from classes prior to 2022 are invited to complete the form!)

Congratulations Class of 2022! The Northshore School District will always be here for you!

~One Northshore~

Northshore School District

We acknowledge that the Northshore School District functions on Coast Salish lands in the areas that have been colonized, occupied, and renamed to Bothell, Kenmore, Redmond, and Woodinville. We acknowledge the experiences of genocide, forced relocation, ethnic cleansing, and land theft of Indigenous peoples and sacred lands so we can build our awareness of how settler colonization still exists today. We honor the ways of knowing and ways of being of Indigenous peoples and tribal nations, who are still here and thriving, in our district- community. We resolve to learn from these realities and partner with local Indigenous peoples and tribal leaders to work toward a justice-driven educational experience for each student, family, community member, and educator in Northshore. We also acknowledge that this is a working land acknowledgement that will continue to evolve as our partnership with local Indigenous peoples and tribal leaders expands.
