

# WORK READY SCHOLARSHIP

## Dual Credit for CTE High School Students

---

The Work Ready Kentucky Scholarship (WRKS) helps Kentuckians who have not yet earned an associate's degree afford an industry recognized certificate or diploma. The WRKS program is available to college students and certain high school students who are enrolled in college coursework.

### A high school student must:

- ♦ Be a Kentucky resident
- ♦ Be enrolled in a Kentucky high school
- ♦ Not be eligible for, or have exhausted eligibility for, the Dual Credit Scholarship program
- ♦ Be enrolled, or accepted for enrollment in, an approved dual credit course at an eligible institution
  - Approved dual credit courses for the Work Ready Kentucky Scholarship are limited to Career and Technical Education coursework that is in a career pathway approved by the Kentucky Department of Education as leading to an industry recognized credential.

### Application:

- ♦ The student's high school will send information to KHEAA identifying the students who enrolled in Career and Technical Education coursework. KHEAA will, in turn, contact students to have them submit their preferences for college and semester of scholarship use.
- ♦ Funds are awarded on a first-come, first-served order based on the date students submit their scholarship preferences.

### Award:

- ♦ Equal to the dual credit course amount charged by an eligible college or university
- ♦ Limited to two dual credit courses in high school and may continue to use in postsecondary studies.

### Participating colleges and universities have agreed to:

- ♦ Charge no more than the dual credit tuition ceiling rate, which is 1/3 of the KCTCS hourly tuition rate for all dual credit courses taken by Kentucky high school students regardless of scholarship eligibility
- ♦ Charge no additional fees to dual credit students including, but not limited to, lab fees, special equipment and admission/application fees.

### Eligibility limit:

- ♦ Expires when the first of the following conditions is met:
  - Receipt of scholarship funding for four academic terms;
  - Receipt of the scholarship for 60 credit hours of enrollment;
  - Receipt of a first associate's degree
