Council Policy #1.1.1

Standard: Planning

POLICY TOPIC DESCRIPTION

Budget- Textbook Resources

POLICY STATEMENT

The Textbook Resources Committee shall study textbooks and textbook related materials that are up for the current years adoption cycle and make recommendations for adoptions to the SBDM Council.

The textbook committee will:

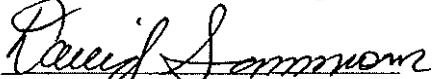

- Make selections from state adoption lists of publishers that correlate their materials to meet Kentucky standards.
- Obtain samples of the textbooks and related materials that are available for the subject area.
- Make the samples available for reading and evaluation to teachers, parents and the community.
- Make an election process available to teachers for textbook selection.
- Gather data and recommend a textbook series and related materials.
- Determine quantities of each item to be ordered within the school's textbook budget.
- Report findings to the principal and to the SBDM Council during the process.
- Consult the principal for recommendations concerning all textbook budget decisions.
- Develop a spending plan for textbook adoptions and present the plan to SBDM Council for adoption.
