

District: Boone County

School: Burlington Elementary

Council Policy #1.1.2

Standard: Planning

POLICY TOPIC DESCRIPTION

Budget- Technology Resources

POLICY STATEMENT

Technology Resources Committee shall:

1. Ensure that Burlington Elementary programs and policies related to technology are consistent with district board policy.
2. Conduct a Technology Needs Assessment annually and contribute to the development of the School Improvement Plan.
3. Based on identified needs and available resources develop a Spending Plan for available technology related funds.
4. Monitor implementation of the technology plan.
5. Coordinate technology efforts with the Resources and Leadership Committee and the Curriculum and Instruction Committee.
6. Monitor the implementation of the district technology curriculum.
