

District: Boone County

School: Burlington Elementary

Council Policy #4.1

Standard: Curriculum

### POLICY TOPIC DESCRIPTION

Curriculum Development POLICY

### STATEMENT

The School Council shall adopt Curriculum that is aligned with state standards as expressed in the Academic Expectations, Kentucky Common Core Standards and the Program of Studies. The school Curriculum shall be recorded in a school curriculum document that is to be developed with grade level and special area teacher input.

The school curriculum documents are to be made available to the public by being posted on the school web site.
