Create a folder named **AP Drawing** in your school one drive (create the following 6 subfolders within) (take a screen shot and save into your

- Within the AP Drawing folder create a folder named Summer 2022 AP Drawing Assignments
- Within this folder create a sub folder named **Previous Artworks** (take quality digital images of each and place in this folder as jpg files)
- Create another 4 subfolders named Quarter 1, Quarter 2, Quarter 3 and Quarter 4.

1-Create a document with the following: (upload documents into Summer 2022 Assignments Folder)

- List specific expectations for the course
- Describe the process of how to nurture your creative process
- Describe the artworks' standards of achievement
- Research the portfolio examples and make a list of inspired ideas

2- Make 5 quality artworks that will be worthy for your portfolio and showcase your best abilities. Sizes can be 8 x 10, 9 x 12, 11 x 14, 16 x 20. I don't recommend working larger for these summer projects but if you feel inclined to, not larger than 18 x 24. It is recommended that your work be in standard sizes that can be put into a matt/frame if displayed in an art show.

Upon completion, use your camera or a scanner app (camscanner) to scan the quality image of your artwork and save as a jpg. Save the artwork image file into the 2022 Summer

Assignments. The expectation is the artwork edges are cropped so that no table or background is seen. Only the artwork is seen in the image.

1-A Color painting of your closet (messy or clean with open doors and REALISTIC) Focus on shadows, depth and composition. You may work from a photograph of your actual closet if you like.

2-A realistic drawing from observation (color or neutral) of an outdoor building, house or scene of multiple houses.

3. Still life of 1-3 objects of food or household items with a strong light source.

4. A study of jeans (close-up) showing strong detail of texture, possibly rips, holes, strong values from observation. It can be in color or not.

5. Create an artwork that reflects subject matter that is sentimental to you enlarged to fill the page...in your medium of choice (close up). Research composition to create a compelling presentation of your work.

Before class on August 29 your folder titled 2022 Summer AP Art Assignments will be shared to tfulcher@ccboe.com

This folder should include the following:

1-A document including the four items listed in #1 above

2-A quality image of each of your five artworks
