Jackson Construction chosen for construction manager at risk

After their presentation during a special meeting where another construction manager at risk entity made a proposal, Jackson Construction was chosen as the construction manager at risk for the new middle school.

The company will assume the day-to-day oversight of the construction, relieving the District of this responsibility.

The CMS one-act play won first place in district and the students and sponsor Kayleigh Kirby were recognized by the Board.

Tiger PAC team recognized

Dr. Henry Ross, Richie Bruister, Anne Mills and Krystal Jackson (not shown) were recognized for their leadership in the Tiger PAC resulting in the successful passage of the \$68-million bond to build a new middle school. Heather Kilgore was in charge of social media and Tiffany Harrison served as treasurer.
