

Dear Parent/Guardian:

Research shows that children take learning more seriously when parents show an interest in their education. Please take a few minutes to fill out the questionnaire below. This information will help us figure out how we can best meet your needs and areas in which you might want to be involved with our programs. Please return the form with your son or daughter.

Thank you for your time. I look forward to working with you and getting to know you better throughout this school year.
