Dear BPS Families,

Welcome to the 2022-23 school year! I hope each of you had a fun and relaxing summer.

The new school year brings with it several exciting milestones and changes for the Brockton Public Schools. The first cohorts of students will begin their studies at the PROMISE College and Career Academy, the Middle School Honors Academy, and the Early College program. These new programs demonstrate the district's commitment to increasing access to rigorous, student-centered learning opportunities. As we enter the first implementation year of our five-year strategic plan, I look forward to sharing additional initiatives and improvements with you.

Each year, our school district evolves to meet the changing needs of our students. This responsiveness wouldn't be possible without our dedicated employees and the overwhelming support of our community. Together, we will build a better school district.

Sincerely,

Michael P. Thomas  
Superintendent of Schools
