Proposed Valvoline Oil and Lube Center, 371-373 Talcottville Road (Rt 83)

Allan Borchesi, Chairman, Borchesi Building & Engineering Co., Inc, Torrington, presented the site plan for a Valvoline Oil and Lube Center to be added to the existing car wash facility at 371-373 Talcottville Road. There will be no additional driveways added; the traffic report submitted states the proposed changes to the property will not have a significant impact on the local roadway network.

Discussion took place.

Mason Thrall MOVED to approve the plans, Jon Paul Roden seconded. Motion carried unanimously.

2. Adjournment

Jon Paul Roden MOVED to adjourn at 6:14 p.m. Robert O’Gara seconded. Motion carried unanimously.
