

# LIFETIME OWLS

Join the “Lifetime Owls” program by paying the current one-time \$75 fee that gives you access to exclusive events, programs, scholarship opportunities and more AND makes you a lifetime member of the Westfield State Alumni Association!

While you may join the program at any time, joining as a first-year student gives you the maximum benefits. ALL funds collected through this program benefit students in some way. (Parent, Alumni and Honorary Lifetime Owls fees help students, too!)
