

Summer availability of student curriculum/applications

Access to digital resources over the summer months varies depending on the vendor and application. Dates of availability are dependent upon several factors such as renewal dates, whether the district or teacher build class rosters, and vendor requirements.

Access to applications for **students** fall into one of three categories:

- Available all summer **
- Available until the end of day of **8/15/22** and again on **9/6/22**. This allows preparation for the upcoming school year. **These applications show teacher/student class enrollment and can change until class schedules are finalized.**
- Access for the applications controlled by the vendor or teacher have different availability schedules. All applications will be available no earlier than 9/6/22 for the 2022-23 school year.

** To prepare for the 2022-2023 school year, any application utilizing a district email address and email password will not be available after **8/15** due to scheduled password reset of all student accounts.
