Talk Sup Week 35 Review and Preview

May 23, 2022

Good morning Sayreville! We hope you had a relaxing weekend and enjoyed the summer-like weather. Welcome to another edition of Talk Sup. Please remember that **next Monday, May 30, 2022**, our schools will be **closed** in observance of Memorial Day.

In **135 days**, residents in Sayreville will have the opportunity to *Cool the Schools* when they vote on the **Facilities Improvement Bond Referendum**, which is scheduled to be voted on by the Sayreville community on **October 4, 2022**. To see the current presentation on the referendum, click [here](#). To see all information pertaining to the referendum and the district's strategic approach to improving its facilities, click [here](#). Last week, we resumed the promotion of the **"Cool the Schools" October 4, 2022 Referendum** Vote with staff during faculty meetings at the Samsel Upper Elementary School (SUES). Below please find the list of remaining promotional meeting dates this year.

Faculty Meeting Dates and Times

Truman – June 7th at 3:40 pm

Over the weekend, it was reported to us that that four individuals from the middle school and one from the Samsel Upper Elementary School (SUES) have tested positive for COVID-19. After conducting contact tracing in accordance with New Jersey Department of Health (NJDOH) guidelines, no individuals were determined to be in "close contact" with the infected people. For more information on infections, click [here](#) to review our [Student](#) and [Staff](#) COVID-19 Dashboards.

Due to the recent surge in COVID-19 cases, we **encourage staff and students to wear masks while in our school buildings**. We also continue to request that parents:

- **Do not send their child(ren) to school if they are symptomatic.**
- **Report to the administration and nurses at their child(ren)'s respective school(s) if their child(ren) are symptomatic, have tested positive, or were in close contact with an infected individual outside of school.**
- **Remind their child(ren) to practice appropriate hand hygiene**
- **Strongly consider participating in the school district's testing and vaccination programs.**

Please remember that the Parlin Pharmacy is graciously offering all **Sayreville Public Schools staff, students and family members COVID-19 home rapid test kits** for no or little out of pocket cost. While most insurances cover home rapid test kits at no cost, unfortunately we have learned that there are certain insurances which may not. However, if your insurance policy does not cover them, the pharmacy is offering our staff, students and family members a special price of **\$9.99 per kit**. Furthermore, while some policies may not immediately cover the cost of the kit, they may provide full reimbursement upon the submission of a receipt, which will be provided by the pharmacy. Use the links below to order a test kit. All **student and family** test kits will be available for pick up in the **cafeteria at the Sayreville War Memorial High School on Wednesday afternoons from 4:00 – 4:30 pm**. As

Educating Today's Learners to Be Tomorrow's Leaders

previously reported by me, **staff** test kits **will be delivered to the school designated in orders**. If you have further questions, please contact the pharmacy via the following email: ParlinRx@Gmail.com. Click on the appropriate link below to order the test kits.

Please also remember that, as part of our district's [Safe Return Plan](#), this **Wednesday, May 25, 2022** we will resume **voluntary** staff/family and student/family **COVID-19 testing** with Back to School Solutions from **2:30 – 5 pm** and **voluntary vaccinations** with the Parlin Pharmacy from **4 -7 pm** in the **Sayreville War Memorial High School Cafeteria**. Please also note that the pharmacy is also providing **Pfizer, Moderna, and Johnson and Johnson booster** shots. **Likewise, they are now also providing vaccinations for children 5 years of age and older.** **However, in accordance with the CDC and NJDOH it is recommended that parents consult with their child's pediatrician prior to getting them vaccinated, especially those under that age of 12.** Below, please find the tentative dates for both of these services throughout the fall. With regard to testing, since **we do not test people who are demonstrating symptoms**, if you are symptomatic, you should ask your healthcare provider for an appropriate testing location. If you are a staff member or the parent of a student who is interested in learning more information about how you and your residing family members can participate in this vital virus spreading prevention activity, click [here](#). **Please note** that if you have already participated in testing with us, you only need to conduct a telemedicine appointment. If you have never tested with us in the past, you would need to register using the following link <https://backtoworksolutions.com/SayervillePSD.html>. Once you have conducted your telemedicine appointment, you will receive a **prescription** for the **PCR** test.

As mentioned above the Parlin Pharmacy will once again administer **Flu and COVID-19 Pfizer, Moderna, and Johnson and Johnson vaccine shots to anyone 5 years of age and older, as well as Pfizer, Moderna, and J&J booster shots, in the Sayreville War Memorial High School Cafeteria**. Naturally, **any individuals under the age of 18 will need to be accompanied by a parent/guardian, who will need to provide signed consent for the vaccination**. Therefore, anyone interested in receiving the vaccine **must register online in advance** by clicking [here](#) or by going to the **Parlin Pharmacy** website (www.parlinrx.com). Unfortunately, for safety purposes, **no “walk-ins” will be permitted into the school**. In fact, with in-district COVID-19 testing, **all registered participants must report to Door 22 of the high school cafeteria (adjacent to the dumpsters)**, where they will be screened by our security team before being allowed into the vaccination room. Below please find the tentative dates and times.

Thanks to our magnificent teachers and instructional staff, our students continued to progress in learning and had a ton of fun doing so this past week. At the high school, our students had a great time participating in the first ever Mental Health and Wellness Fair. We

commend Mr. Salum, Vice Principal, the Social and Emotional Committee, and all who contributed to this wonderful program. In addition, the students in the National Honor Society hosted their annual charity Pancake Breakfast. Thanks to the very generous donation of \$850 by Middlesex County

Academy Interact Club, high

school and middle school visited Somerset Patriots Park to catch a game. The students in Mr. Fischer's and Ms. Gassman's Honors Chemistry classes visited Ashland, LLC to apply their skills to solve real world problems presented to them by the engineers at Ashland. They also toured the plant and had lunch with the engineering team and plant manager. The Air Force Junior ROTC Cadets hosted a

30 Step Drill Competition and then several others attended a Detachment Commission Ceremony in which Second Lieutenant Macknowski, a SWMHS graduate, was sworn into duty. Lastly, students danced the night away at the Grand Marquis during the Junior Prom. Likewise, students at the middle school did the same in the high school cafeteria, which was transformed into an enchanted forest, during the 8th Grade

Semi-Formal Dinner Dance.

At SUES, students and staff had a blast participating in a Science, Technology, Engineering, Art, and Mathematics (STEAM) Showcase, in which they shared the independent projects that they created and explained what they learned after participating in an eight week after school club. They also celebrated Red, White, and Blue Day. Likewise, in Project Before, our preschool students kicked off Insect Week by observing caterpillars that will soon become butterflies, and actually recorded their findings in their

observation journals. Our preschoolers also had a ball exercising and practicing for the upcoming Preschool Unified Track and Field Meet. At the Truman School, students and

staff celebrated Career Day and demonstrated their appreciation for the Sayreville Police Department, in which they thanked Sayreville finest for protecting and keeping residents safe.

Last week, our students, staff, and community members continued to impress us with their amazing accomplishments. We begin by congratulating and commending SWMHS Boys Tennis player Anoop Dindigal, who was named the 2021-22 Sayreville recipient of the New Jersey State Interscholastic Athletic Association (NJSIAA) Scholar Athlete Award. We also commend and congratulate SWMHS Ceramic Arts students Ethan Sanfiorenzo, Nadiyah Blance, Enrique Rodriguez, and Denisse Mosquera, whose ceramic artwork was selected to

move onto the gallery space at The Noyes Art Garage in Atlantic City. Their work will be on display, open to the public, from May 25th through June 18th. They will also be invited to attend the closing reception on Saturday, June 18th at The Noyes Art Garage, where awards will be handed out and they will be recognized for their ceramic achievement. In addition, we commend and congratulate members of the SUES 5th Grade Chorus who represented SUES and Sayreville in the Central New Jersey Honors Chorus Festival. Furthermore, we congratulate and commend Robert Jerome, Math Teacher at SWMHS, who was selected to be the May Teacher of the Month at the high school. Finally, as mentioned previously, we commend and thank Andrew Chen and the Middlesex

County Academy Interact Club for their generous donation of \$850, which was used to pay the admission fees for an upcoming BOE approved middle school and high school field trip to Somerset Patriots Park. Likewise, we commend and thank the Attix Family for the very generous donation of \$1,000 to be used for the SWMHS Theater Society program. Bomber Nation salutes these and all our students, staff, and community members for representing Sayreville in such an impeccable manner. They Rock!

In athletics, riding a three-game win streak, the SWMHS Baseball Team improved its record on the season to 7-14 with impressive wins over Piscataway Technical and South Amboy High Schools, in which, combined, they outscored them 26-0. Although they did not win, last week the SWMHS Flag Football Team scored their first passing touchdown last and played well. Win or lose, all our amazing student athletes continued to compete

fiercely and demonstrate the teamwork and sportsmanship that makes us all proud to be Bombers. Thus, we thank them and their coaches for their hard work, dedication, and the manner in which they represent SWMHS and our community. Please remember that you can see all athletic team schedules and view all the action by watching them on the live streaming links posted on the Athletics page of our website or by clicking [here](#).
