

## Our Wonderful Year 8s!

At this time of year, it might seem that a disproportionate number of column inches are dedicated to our Year 8 cohort.

We make no excuses – it is their time in the sun – literally!

There are some fantastic photos below of their exploits this week as they have been giving the little grey cells a rest following their Common Entrance exams.

They have enjoyed a Nutrition and Healthy Eating workshop, cycling in Richmond Park, an introduction to Jiu Jitsu, a tour of Twickenham rugby stadium, Putting in Putney Park and of course an all action Go-Karting challenge!

All the while they have been on tenterhooks waiting for their results.

They should never had feared – of course the results are fantastic! Enormous credit to all of them – each one a star – and of course to their amazing teachers who have got them to this point in their academic journey.

The roll of honour is below – our hearty congratulations to all concerned!

## CRICKET

A fabulous last week of cricket fixtures has capped a fantastic season. A full report in the end of term newsletter but very well done to our 1st & 2nd XI who completed an unbeaten season with victories over Eaton House on Wednesday. Huge congratulations also to the U11 B team who played brilliantly to beat Hornsby on Wednesday. Some really tough games for the U9s against very strong Wellington teams and also the U10s against Eaton House; but these boys will have learnt a great deal in defeat and can push on next season. The U11 A team also found things tough against Hornsby but again sometimes it is a good thing to really challenge yourselves and again these boys will, I am sure, come on next season.

Mr Peyton

## STRING CONCERT

Parents were invited along to the Strings Concert to listen to boys playing their violins and cellos. Boys performed solos and also a group piece called 'Barrier Reef'. Special thanks to Ms Simms and Mr Haworth for running the event.

## HEADMASTERS FOR THE DAY

They say two heads are better than one and it was certainly the case at THS today.

Twins, Aidan and Dylan O'Donoghue, went for the popular votes and decreed organised chaos!

Mufti, donuts at lunchtime and scrapping homework were just a few of their sweeping changes whilst they held the reins of power.

Yours truly will try to regain some control next week.

## CHARITY BAKE SALE

Many thanks to everyone who supported the Year 6 bake sale on Thursday afternoon which was held to raise money for the class charity - Centre Point. In total we raised £241.20 which is a fantastic amount!

Special thanks go to the Year 6 parents who baked such delicious cakes and biscuits and to Shana Golding and Rachel Bryan for organising the event.
