In order to prevent the summer slide, it is so important for you to keep your mind academically focused over the summer so that you can start off in the fall right where you left off in June!

Prevent the Summer Slide

2 months of reading skills are lost over the summer.	6 weeks in the fall are spend re-learning old material.
2.6 months of math skills are lost over the summer.	2-3 hours per week are needed to prevent summer learning loss.

Hamden Public Library's Summer Reading Program Read Beyond the Beaten Path

Come to a Hamden Public Library beginning June 15th to register. You can also print out the booklet to track your reading or visit www.hamdenlibrary.org to create an account with **READsquared** to track your reading online.

Follow the trail to track your reading. Mark off one space for every 15 minutes you read. Come to the library to turn minutes into beads. Enter the summer reading raffle for every 3 hours you read. Finish the path for a bonus raffle ticket.
