

Mary G. Hogsett Primary School 2021-2022 Title I Family-School Partnership Agreement

We all want our students to thrive as individuals, both academically and personally. Working together we will help our students succeed by *Being Ready, Being Positive, Being Innovative*, and through *Consistent Communication* with one another. As our mission states, we grow thinkers and learners in a nurturing, structured, and positive environment. Working together we make Hogsett Primary a great learning environment for all of our youngest Admirals!

Hogsett's Promise:

Be Ready: We will prepare engaging and effective lessons and activities to best educate our youngest Admirals. We recognize that each student has different needs and are prepared to address those.

Be Positive: We will support and encourage our students and praise their successes, helping them recognize their potential and appreciate not only themselves but their peers as well.

Be Innovative: We will use engaging activities in the classroom to engage all types of student learners.

Be a Communicator: We will be open and honest with our students and their parents about the events at the school. Additionally, we will regularly share successes and opportunities for growth with students and parents.

Hogsett's Families' Promise:

Be Ready: We will ensure our child(ren) are healthy, well rested, appropriately clothed, and prepared for school each day.

Be Positive: We will encourage learning and show an interest in our child(ren)'s activities and experiences at school.

Be a Partner: We will read communication from the school and our child(ren)'s teachers. We will contact the school or teacher with any questions or concerns we have. We will attend family nights, parent-teacher conferences, and volunteer when able.

The Little Admiral Promise: *Be Kind, Work Hard, and Stay Safe!*

Be kind.

Work hard.

Stay safe.
