

Virtual Learning Academy of St. Clair County MICIP Portfolio Report

Improve Student Engagement

Status: ACTIVE

Summary: Our goal is to increase student engagement in order to improve course completion and graduation rates by 2026.

Created Date: 05/27/2021

Target Completion Date: 06/30/2026

Strategies:

(1/1): Dropout Prevention-Engage students by offering curricula and programs that connect schoolwork with college and career success

Owner: Joshua Everitt

Start Date: 07/01/2021

Due Date: 06/30/2026

Summary: Students are engaged in school when they are interested in their classes and see them as important to their future, and when they feel they belong in school. Engaged students have good attendance, come to class prepared, and are able to navigate daily challenges in and out of school.⁸⁷ These behaviors, in turn, improve course pass rates and help students establish positive relationships with teachers and peers, reinforcing students' sense of belonging in school.⁸⁸
