## ACHIEVE

---

*Children participating in the ACHIEVE program often require different supplies than those in full-time general education programs. Following is a list of supplies for students in the ACHIEVE program. You do not need to purchase the supplies for your child's grade level on the standard supply list.*

- A full change of clothes (clothes should fit well and be seasonally appropriate. Clothes will be sent home to be exchanged as the seasons change.)
- Diapers/pull-ups, if used (at least 3 for each school day)
- Baby/sanitary wipes (if used)
- Classroom snacks (whatever your child prefers; snacks will be needed on an ongoing basis for our daily snack time, during which we work on communication, social, and independent living skills.)
- Clean face masks, **if you prefer your child to wear a mask** (at least 2 for each school day)

*All the above supplies will be labeled with your child's name for their use only.*

Gloves will be provided for staff use if needed for toileting or injury. Please let us know if your child has an allergy or sensitivity to latex. Non-latex gloves can be obtained.

A note will be sent home to request new hygiene items as needed. Parents may choose to send in extras at the beginning of the year to be saved for later use.

### **Wish List (Optional but appreciated)**

**Extra snacks** (Goldfish crackers, juice boxes, fruit snacks, etc.)

*Thank you for your contributions! They are greatly appreciated.*
