Program Description & Program Goals:

The **Magnet Schools Program** provides a choice of programs at Hart, Rogers, Toquam, and Westover on the elementary level, Rogers and Scofield on the middle school level, and AITE on the high school level. These programs differ in approach but all used the same standards based SPS curricula in the core areas of English, Math, Science and Social Studies as well as in Art, Music and Physical Education. Charter Schools including Trailblazers (grades 6-8) and Stamford Academy (grades 9-12), receive a small portion of their funding from SPS.

To provide educational programs based upon the characteristics and needs of the individual learners.

To expand elementary, middle, and high school programming by providing additional choices.

Budget Notes

Add Dance or Drama teacher at Westover

Reduce vacant Magnet teacher at Rogers

Add Technology teacher at Scofield

Add .5 Exploratory teacher at Scofield

Program Description & Program Goals

The **World Language Program** provides for instruction in modern languages as well as in the classical language of Latin. The program emphasizes communication, understanding, and appreciation of other people's literature and culture. It also recognizes the need for developing speaking competence and proficiency in the language of the student's choice as related to possible career goals. World Language classes are taught according to the Stamford Board of Education and State of Connecticut curriculum guidelines to assure that students learn the skills and concepts related to communications, cultures, connections, comparisons, and communities.

To assure that students will acquire a level of proficiency in the world language that will enable them to communicate effectively with a native speaker in daily life situations.

Program Description & Program Goals:

The **Mathematics Program** is the language of data, of change, and of patterns and is essential for analyzing and solving problems. The Mathematics Program prepares students to "speak" this language; the only language that is common throughout this world. It prepares students to proficiently apply a range of numerical, algebraic, geometric, and statistical concepts and skills which they will need to use daily throughout their lives. The Mathematics Program is aligned with the Connecticut Core State Standards.

To develop both problem-solving and critical-thinking skills in students.

To develop mathematically-based reasoning skills in students.

To prepare students for life in a technological society.

Program Description & Program Goals:

The Stamford Public Schools has made a significant commitment to providing a consistent **Summer School Program** in Grades PreK-12 that directly relates to district goals to address the achievement gap and increase the meaningful engagement of all families and the community. Partnerships with community agencies have resulted in services that align academic instruction with recreational activities. Academic subjects as well as non-academic subjects will be offered to high school students based upon courses needed for graduation and the number of students needing specific courses. Students will be taught an academically rigorous curriculum in all subject areas.

To provide instructional initiatives that support and remediate the learner.

Provide limited support for high school students to meet graduation requirements.

Budget Notes

The 2015-16 budget includes \$40,000 for "Beyond Limits Scholars Program" - a middle school to high school bridge program developed by Stamford Achieves in collaboration with the Stamford Public Schools in response to a persistent and significant percentage of struggling freshman.

Program Description & Program Goals:

The **English Language Learners Program** includes the following:

Bilingual Education - The Bilingual Program is a state-mandated program designed to help the Haitian and Spanish speaking students who are English learners to achieve academic success in the classroom. The program offers students intensive training in English to speakers of other languages while providing the subject matter instruction in the native language. The goal of this program is for all students to attain proficiency in English.

English to Speakers of Other Languages - The ESOL Program is designed to enable students from diverse linguistic and ethnic backgrounds to acquire the English communication, academic, and social skills necessary for successful participation in the mainstream classrooms.

New Arrival Centers - Located at Davenport and Turn of River middle school to help acclimate new students to Stamford and the U.S.A. A course is offered in New Arrival Literacy for ELL students who require oral language, listening, and literacy skills. Students with basic English reading and writing skills acquire language through communication of experiences. The course is designed to develop/improve vocabulary, oral language, reading fluency, and comprehension.

Program Description & Program Goals:

The **Alternative Routes to Success (ARTS) Program** provides for the continuation of effective instruction for students who are unable to derive benefit from the general education offerings due to mental/behavioral health issues, chronic school failure, or disciplinary action.

The ARTS Program makes the necessary accommodations to address both students' academic and emotional success. Students are provided structured direction for improving academic, social and behavioral achievement goals through a team approach.

Program Description & Program Goals:

Stamford has a ten member Board of Education. Nine members are elected to 3 year terms. The 10th member is the Mayor who is a non-voting member. As required by State Statute and City Charter, the Board oversees Public Education. The Board's major duties are to set policies concerning educational, organizational, and financial matters; to monitor and evaluate administration policies; and, to recommend annual operating and capital budgets to the City. Board meetings and committee meetings are held monthly. Included in this program are legal, professional, and technical services utilized by the Board of Education as well as dues and fees payable to the Connecticut and National School Board Associations.

To oversee public education in the City of Stamford.

To increase academic achievement.

To address the achievement gap.

To increase meaningful family engagement.

To provide a world class staff.

To maintain efficient and effective operations.

Program Description & Program Goals:

The **Transportation Program** is responsible for the safe, efficient, and economical transport of those students eligible and enrolled in our educational programs.

First Student Inc. is the primary vendor and currently provides the school system with 108 buses daily. Transportation is currently provided to high school students attending the vocational and technical centers. Generally students remain on the bus no longer than 50 minutes, and all attempts are made to provide routes so as to promote the shortest possible distance between home and school. The Office of Transportation continues to institute a computerized route system to enhance the program.

For 2015-16 the projected number of buses for public transportation will increase by two.

To provide safe, efficient, reliable, and economical transportation for the students of the Stamford Public Schools.
