**MEMORANDUM**

**TO:** J. Kevin Beardsley, Director, Purchasing Services

**FROM:** Kipp D. Rogers, Ph.D., Chief Academic Officer <sup>ADP</sup>  
Angela L. Seiders, Executive Director of Secondary Teaching and Learning   
Sara L. Lockett, Ed.D., Director of Technical and Career Education 

**SUBJECT:** **SOLE SOURCE JUSTIFICATION FOR INDUSTRY CREDENTIAL ASSESSMENTS THROUGH THE OFFICE OF TECHNICAL AND CAREER EDUCATION**

**DOLLAR AMOUNT:** \$500,000.00

**DATE:** Aug. 16, 2021

Students undertaking a course in Technical and Career Education (TCE), work towards an industry certification (see attached list) as specified by the Virginia Department of Education's Board of Education-Approved Industry Credentials (see attached list).

For students undertaking the standard diploma, the TCE assessments also meet the graduation requirements as stated in HB 1062 and SB 489. The 2012 Virginia General Assembly passed, and the Governor signed into law, HB 1061 and SB 489, to strengthen post-secondary education and workplace readiness opportunities for all students. This legislation says, in part:

*"Beginning with first-time ninth-grade students in the 2013-2014 school year, requirements for the standard diploma shall include a requirement to earn a career and technical education credential that has been approved by the Board, that could include, but not be limited to, the successful completion of an industry certification, a state licensure examination, a national occupational competency assessment, or the Virginia workplace readiness skills assessment."*

A portion of this purchase will ultimately be funded by federal dollars. Of the \$500,000 total purchase price, \$70,000 will be funded by the Perkins grant that has a FY22 budget of \$943,224.
