**JUSTIFICATION OF SOLE SOURCE:**

This memorandum is to certify that Harcourt Assessment, Inc., now part of Pearson Education, is the copyright holder and sole provider of the Naglieri Nonverbal Ability Test 3, NNAT3. The use of these materials is essential to the assessment, review and identification of students to receive gifted education program services within Virginia Beach City Public Schools.

These group ability tests are used, as outlined in the Virginia Beach City Public Schools Local Plan for the Education of the Gifted, to measure abstract thinking and reasoning ability of students referred as candidates for gifted identification. The results of these testing instruments, in conjunction with additional qualitative and quantitative data gathered through the assessment process, are reviewed by the eligibility committee to determine student eligibility for gifted program services.

The purchase and use of these assessment materials will further support the mission and goals of the Virginia Beach City Public Schools and K-12 and Gifted Programs.
