SUBJECT: SOLE SOURCE JUSTIFICATION—WIXIE BY TECH4LEARNING

Date: July 26, 2017

REQUISITION #: DTAL-18-0296692

TOP DOLLAR AMOUNT: \$86,858.75

JUSTIFICATION OF SOLE SOURCE:

This memorandum is to certify that the Tech4Learning is the sole provider of Wixie. Tech4Learning is a provider of high quality instructional software that has been used by Virginia Beach City Public Schools for several years. Elementary schools have been using Pixie, a client-based version of Wixie, for several years. By moving from a client-based version to a web-based version, all device types can access the application. Time is saved by teachers and students since there is no application installation needed. Since schools are currently familiar with Pixie, little professional development is needed. Additionally, students have access from home.

This product directly supports Goal 2, Strategy 2 in Compass to 2020. Leveraging this technology provides students with an application that provides them the means to create and publish original content.
