“It is with great pride and excitement that I become the new CISD Aquatics Manager,” said Wyrick. “I look forward to developing strong, lasting relationships with students, staff and community members while fostering the core values and traditions of Carroll ISD.”

Along with his background in administrative leadership at CISD, Wyrick has nearly a decade of experience as a history teacher and football coach in various schools throughout Dallas/Ft. Worth. Prior to his teaching career, he was an Aircraft Communication and Navigation Systems Specialist in the United States Air Force.

“Mike has a great background not only in educational leadership, but also athletic coaching and development,” said Steve Keasler, CISD Athletic Director. “He has the perfect blend of experience to lead and improve processes within our Aquatics Center, home of the 12-time UIL 6A State Champion Carroll Swim/Dive team.”

Jenny Suitor will serve as the interim CISD Aquatics Manager until the Principal position at Durham Intermediate has been filled.
