## **DAVID JOHNSON ANNOUNCED AS NEW ASSISTANT SUPERINTENDENT OF FINANCIAL SERVICES AT CARROLL ISD**

At the May 9 Board meeting, the Carroll ISD Board of Trustees unanimously voted to approve David Johnson as the new Assistant Superintendent of Financial Services. Johnson, a Certified Public Accountant, brings over 30 years experience in both school district finance and as a corporate accountant. He joins CISD most recently from Fort Worth ISD, where he has served as Senior Officer of Budget and Finance since 2018. Prior to this, Johnson was the Chief Financial Officer at Cleburne ISD for 10 years.

“At Carroll ISD, we have had a strong focus on developing fiscal efficiencies over the last year and are excited to bring Mr. Johnson on board as we implement a new strategic plan,” said Superintendent Dr. Lane Ledbetter. “Mr. Johnson has a breadth of expertise in both school and corporate finance, and we feel he is an excellent choice to lead financial services for CISD.”

As an administrative leader, Johnson has successfully managed financial operations, accounting, and reporting duties for his districts; developed, monitored, and implemented internal controls and procedures; and given various presentations on operations results to the Board of Trustees. Along with 17 years of combined experience in Texas school districts, Johnson spent nearly 14 years in corporate finance as a Senior Accountant, Tax Supervisor, and Manager with several accounting firms including Gilliam, Wharram & Co., P.C.

“I’ve enjoyed the time I spent getting to know Dr. Ledbetter and his leadership team during the interview process,” said Johnson. “They have a great finance team in place, and I look forward to building on their successes and serving the students of Carroll ISD.”
