

IB Diploma Subject Grid 2022-24

(provisional – June 2022)

Subjects are organized according to the IB Diploma subject groups. IB students should select one subject from each of the six columns, choosing 3 subjects at Higher Level (HL) and 3 at Standard Level (SL). These subjects will be studied for the duration of the two year course.

Subjects in the same vertical column are taught at the same time, hence only one subject from each column can be chosen

Group 1	Group 2	Group 3	Group 4	Group 5	Group 6
Language A	Language (Other)	Individuals & Societies	Sciences	Mathematics	Arts/ Electives
English A Literature HL/SL	German A Language & Literature HL French B HL/SL German B HL/SL Spanish B HL/SL Italian <i>ab initio</i> SL Spanish <i>ab initio</i> SL Classical Greek* HL/SL	Business Management HL Economics HL/SL Geography HL/SL Global Politics HL/SL History HL/SL Philosophy HL/SL Psychology HL/SL	Biology HL/SL Chemistry SL Computer Science SL Design Technology HL/SL Environmental Systems & Societies SL Physics HL/SL Sports, Exercise & Health Science HL	Mathematics: Analysis & Approaches (AA) HL/SL Mathematics: Applications & Interpretations (AI) SL	Chemistry HL Economics HL French B HL Geography HL/SL History HL/SL Italian <i>ab initio</i> SL Latin* HL/SL Visual Arts HL/SL

Notes: For timetable reasons, selecting HL Mathematics with HL English is not possible.

* Classical Greek HL/SL and *Latin HL/SL has some flexibility in placement (group 6 or group 2 dependent on numbers)
+Theatre may only be offered if a sufficient number of students choose it.

All students must choose Mathematics at either HL or SL. For SL, common core courses will run before students decide on one of two options: Applications & Interpretation (AI) or Analysis & Approaches (AA). HL students will follow the Analysis and Approaches (AA) course.

German students wishing to comply with KMK regulations should confirm with their local authority, but they will need to take Mathematics OR Bio/Chem/Phys at HL. They should take German A Lang & Lit HL and English A Lit SL at Oakham, but do not need to take another language (though possible). They may choose either option of Maths at SL provided that there is a science at HL and university options have been checked. All subjects listed above in group 3 are accepted.

A-level Subject Grid 2022-24

(provisional – June 2022)

You should generally choose FOUR subjects, no more than ONE subject from EACH column below.

A	B	C	D	E
Business	Biology	Biology	Biology	Art & Design
Chemistry	Business	Business	Chemistry	Business
Design & Technology	Critical & Contextual Studies	Classical Civilisation	Economics	Computer Science
Economics	Economics	English Literature	English Literature	Economics
Geography	Maths & Further Maths+	French	French	English Literature
German	History	Geography	Latin*	Geography
Classical Greek*	Mathematics	History	Maths & Further Maths+	Physics
Physics	Physical Education	Mathematics	History	Politics
Politics	Politics	Music	Mathematics	
Psychology	Psychology	Philosophy	Psychology	
Spanish	Religion and Philosophy	Psychology		
Drama and Theatre	Spanish			
	BTEC Sport and Exercise Science^	BTEC Sport and Exercise Science^	BTEC Business Management~	

+If you wish to study **A-level Further Mathematics**, please select 'Maths and Further Maths' in both columns B and D. The course includes A-level Mathematics, so do not select Mathematics elsewhere.

^BTEC Sport and Exercise Science must be selected in both columns B and C, as it is the equivalent to two A-level courses.

~BTEC Business Management may be chosen as the equivalent to one A-level subject.

*Latin A level has some flexibility in placement.
