

THE INTERNATIONAL SCHOOL IN GENOA
SINCE 1966

Welcome to Grade 10! Below you will find a list of books to order before the start of the school year.

Some important notes:

Please order 1 copy of each of the books below for your child.

You need only buy books for the Italian exam preparation if your child will be taking the Italian exam preparation classes.

Third language books (French, Spanish, German or Mandarin) will be ordered by the school. Once your child starts class, we will be able to select the book most appropriate for your child's level. You will then be invoiced separately for this book.

If your child is taking Italian B instead of Italian A, the same will apply and you will receive the correct book from the school in September.

Finally, stationary supply lists for each subject will also be provided by each teacher in the first week of school in September.

We have arranged a portal with Jones Associates for your convenience linked [here](#) where you can easily purchase these titles.

We strongly suggest that orders are made by the last week in July. This is to avoid a backlog as August many companies slow down or go on break.

Kind regards,

Jody Parker

Secondary School Principal
