

2022-2023 Board of Education Goals

Academics

Stonington Public Schools will continue to improve academic performance, growth, and experiences in mathematics and ELA.

Diversity, Equity and Inclusion

Stonington Public Schools will continue to develop students who have the social and emotional competencies needed to be successful citizens in a diverse, equitable, and inclusive society.

Family Engagement

Stonington Public Schools will provide welcoming safe school environments that engage stakeholders and facilitate family partnerships in student learning.

Community Engagement

Stonington Public Schools will engage in partnerships across the Town to promote a sense of “oneness” among staff, agencies, boards, and community organizations, optimize resources, and promote forward thinking.
