

The
Frederick
Gunn
School

Dear Families,

For the **2022-2023** academic year, E&R – The Campus Laundry who is proudly celebrating over 100 years in service, and almost **10 years** at **The Frederick Gunn School** – will once again partner with **The Frederick Gunn School** to provide laundry services to all interested students. Anyone who has been in academia for a number of years comes to understand certain realities about student life; in particular that cleaning rooms and laundering clothes and bed sheets have become low priorities for many students, given their increasingly busy schedules.

To help address these issues, E&R offers three efficient and practical programs – **Premium Plan, Look Sharp Plan (the most popular) and Just the Basics Plan**. E&R has provided professional laundry services to over 100 preparatory schools, colleges, and universities throughout the Northeast for over 60 years, and has designed its plans to allow students to make the most of their free time.

Let E&R - The Campus Laundry provide your student with 80 to 100 valuable extra hours each school year with its weekly on-campus laundry and dry-cleaning service. All plans include weekly cleaning of personal bed and bath linens. We recommend that you consider one of E&R's plans. Additional details are provided in this brochure or go to www.thecampuslaundry.com.

By using E&R laundry services, your student will have the opportunity to:

- Focus on their academic advantage, ease into campus life, and save 80-100 hours.
- Take comfort in knowing their laundry is clean for a healthier and safe lifestyle.
- Maximize FREE time: they've earned it!
- Always look sharp and present themselves well.
- Know that their laundry is cleaned in an environmentally friendly facility!
- Rely on the positive reputation of a company that has been in business for over 100 years.

Over the years, E&R – The Campus Laundry has demonstrated a proven track record of providing reliable, professional, and top-quality service to our students. **As such, we encourage each of our families to review the enclosed materials, choose a plan, and ensure your student makes the most of their time on campus.**

Sincerely,

Christopher W. Cowell

“ The word that comes to mind is peace-of-mind. E&R Cleaners was like a lifesaver. Having the campus laundry service with E&R Cleaners absolutely gave my daughter the time to focus on the important things. It was a great benefit for us.”

MARTHA PARENT

“ E&R definitely gave me an advantage over my peers at school. While they were busy doing laundry, spending hours sometimes just waiting for a machine, I was able to use my time in a more productive way. The biggest advantage I get from E&R cleaners is time.”

KELLY STUDENT

“ When I saw the laundry room at my daughter's dorm room, I saw piles of wet clothes heaped up on top of the washing machine and I was horrified. I take great comfort in knowing my student is healthier and less exposed with E&R Cleaners.”
