- AGR 199

University Studies/Undeclared Pathway

- ENG 105
- COM 161
- ECO 190
- CSC 199
- NLS 230

The fifteen-hour Agriculture pathway is designed to support KDE Career and Technical Education pathways for Kentucky high school students. This pathway will allow for multiple industry-based and KDE-approved stacked credentials (Plant Science, Animal Science, Bayer/Elanco/ICEV certificates) and End of Program Assessments.

Murray State offers 18 unique Racer Academy courses to high school juniors and seniors. After completion of 12 hours in a pathway, a student will receive a Racer Academy transition certificate.

We are forward-moving. We are future-thinking. We are Racers.
