

ALEXANDRA COLLEGE DUBLIN

Addendum to Residence House Code of Conduct - Covid-19

1. Personal and Community Responsibility

Just like at home, each student in Res has responsibilities she must carry out for the benefit of other members of the Res community. There is an expectation that each girl will be responsible for herself and also have a kind and generous awareness of her fellow boarders. We expect that the girls will support and protect each other.

All students have a personal responsibility both as individuals and collectively to have due regard for their own health and safety and that of others and to assist with the implementation of the school's Covid-19 Response Plan and associated control measures to prevent spread of the virus.

All students should be familiar with the health and safety risks posed by the Covid-19 virus both generally and to them as individuals, and be up to date with and adhere to public health advice and the Alexandra College Response Plan. [Updated advice from the HSE is available on its website.](#)

2. Arrival at the Residence House

All students who leave the Residence House for any reason whatsoever and for any amount of time whatsoever must on their return:

- a. Sanitise their hands
- b. Shower and change clothes
- c. Launder clothes in which they arrived
- d. Arrange to have any bags sprayed

3. Exeats:

Students will not be permitted to leave Res for the weekend or an overnight with their family or another family unless their parents/guardians and the family they are visiting have signed and returned to the College the [Covid-19 Exeat Undertaking](#).

4. Mobile Phones and other Personal Electronic Equipment

- a. Students are responsible for disinfecting their personal mobile phone, iPad, laptops, and any other device regularly.
