II. Open Forum

- i. Ms. Lee signed in to speak first. Her concern was addressing the honors course policy. She said that she had concerns if we were going to continue limiting the honors courses to one per class. She asked that teachers be able to check rosters in IC before schedules go out to ensure that students not recommended were not included on honors course rosters. She also asked that we stick to 31 and ask departments about open spaces before opening them up to students. Ms. Lee also discussed the need to look at schedule conflicts such as honors classes being offered at competing times or against classes such as band.
- ii. Mrs. Samantha Mayo signed in to speak next. She stated that her concern was also our honors courses. She wanted to be sure we were fair and equitable and understood the concern of having a “true top 10%” but wanted to also point out that some accelerated kids would be bored in regular classes and she feels like we need to push them.
- iii. Ms. Zuri “Zi” Connor signed in to speak. She discussed with the council her desire to bring back the Gay Straight Alliance at CCHS and making it more inclusive. She would like to call it the All Lives Loved (ALL) group. Mrs. Boyd has agreed to sponsor the group. Mr. King asked her if she wanted us to approve a name change today. She said she would.
