VII. CCR Discussion

The council discussed CCR. We talked about how if it is going to be something we continue, that it is the will of the council that it is done effectively. Everyone has to do their part in order to make it work. We talked about how it would be nice to have the same kids so that you can work on building relationships with them and help them with things such as scheduling. Katy Walls pointed out that, as Mrs. Price had stated earlier, it would be nice to have more time with kids each week so that we can make sure we are meeting all RTI guidelines. We discussed needing to teach kids “soft skills”
