

## Week View Page

The Week View page displays the following information for your student:

- Scheduling
- Assignments
- Course Averages
- Attendance
- Discipline Incidents
- Today's News

You can view information for the current week, as well as previous and future weeks in the current school year. In addition, you can use the page's links to access detailed information on these records.

To display the Week View page, click  **Home** on the HAC menu.

### View class schedules

- To view your student's class schedule for a specific day of the week, click the day's link above its column. For example, to display Monday's classes on the Schedule window, click Monday. The window lists periods, times, courses, teachers, and rooms.
- To view your student's complete schedule, click **View Full Schedule** to display the Schedule page. Besides the schedule of all courses in the current school year, the page lists requests for the next school year. For more information, refer to the Schedule Page topic.

## View other weeks

- To display the week view for other weeks, use the  arrows to navigate forward or backward a week at a time. To return to the current week, click **Today**.

## View news on school events and courses

- Today's News section at the top of the page displays a list of news items on school events and classroom courses. Each item includes the date, brief headline, and information on the event or course.

## Display course work for the current average

- To display assignments and scores associated with an average, click the average's link.

## Display course details

- To view additional details on a course, click its description link in the Class column to display the Course window. The window lists the course, building, department, teacher, room, class periods, days, and marking periods.

## Display detail for assignments

- To view additional details on an assignment, click its description link to display the Assignment (untitled) window. The window lists the course, assignment, category, dates assigned and due, total points, weight, extra credit, and description. You can also position the mouse pointer on an assignment to display a summary of this data in a tooltip. If appropriate, the window also displays scores and competency information.

## Display detail for discipline alerts

- If a discipline incident involving your student is recorded during the current week, an alert link displays at the top left of the page. To view details on the incident, click the link to display the Discipline page. Look for incidents that occurred in the current week, then click the appropriate Incident link to display the Discipline Incident Detail window.

## Display fee balances

- To display HAC's Fees page, click the Fee Balance link at the top right of the page. The Fees page lists transaction dates, fee descriptions and amounts, payments/refunds/credits, fee balances, and the student's total balance due. For more information, refer to the Fees Page topic.

## Send an email to a course's teacher

- To send an email to a teacher, click the teacher's name in the class column, if the name appears as a link. Your email window displays with the teacher's address inserted in the To box.
