Stark County Math Tournament

The Stark County Math Tournament was held on Saturday, March 3, 2018, at Massillon Washington High School. Almost 800 students across Stark County competed in various categories including team problem solving, geometry and measurement, mental computation, number sense and algebra, data analysis and probability. Thank you to our team coaches: **Pam Kurz, Tom Johnson, and Monica Street**. A special thank you, also, to our volunteers who made this day possible for our students: **Ann Brunner, Lori Fisk, Rhonda Oser, Ashley Winston, Connie Maters, Mary Beth Manns, and Natalie Prinkey**.

Fifth Grade: Luke Bahl, Callie Baughman, Sean Bloom, Maddux Cain, Evey Cooper, Jasmin Cruz, Candance Doubet, Caden Gensor, Audrey Hall, Kari Hiner, Cameron Smith, Caiden Todaro, Mary Van Blargan, Emily Villers, and Alexis Walker.

Sixth Grade: Jessica Aneshansel, Josh Baker, Megan Billman, Jacob Coleman, Jack Downs, Dylan Easterling, Alyson Friedrichsen, Ellie Grinder, Evan Holiday, Savanna Kalla, Han Ludwick, Cameron McCutcheon, Joey Prexta, Libby Reese, and Brie Rodriguez.

Seventh Grade: Alexis Clark, James Cunningham, Kamryn Golden, Madelyn Harbaugh, Trey Hutzell, Madilyn Jennings, Ava Meredith, Jerry Plumb, Claudine Sanopao, Ray Stokes, Abigail Thomas, Peter VanBlargan, Christopher Wilson and Max Zink.

Special congratulations to the following students who placed at the tournament:

Fifth Grade

- **Luke Bahl**, who earned 5th place in the geometry category.
- **Callie Baughman**, who received 4th in the Number Sense category.

- **Mary VanBlargen**, who placed 7th in the mental math category.
- The team of **Jasmin Cruz, Maddux Cain, and Candance Doubet** placed 5th in the problem-solving category.

Sixth Grade

- **Josh Baker**, who received 5th in the algebra, data and probability category.
- **Jessica Aneshansel**, who earned 8th place in the algebra, data and probability category.
- **Jack Downs**, who placed 6th in the geometry and measurement category.
- **Evan Holiday**, who received 4th place in mental computation.
- The team of **Dylan Easterling, Joey Prexta, and Libby Reese** placed 3rd in the problem-solving category.

Seventh Grade

- **Ryan Wilson**, who received 7th place in the geometry and measurement category.
- **Abby Thomas**, who placed 5th in the number sense category.
- **Peter VanBlargan** who earned 1st place in mental computation.

Congratulations to all who participated!

A Message about Security from Dr. Mike

I would like to touch on the heightened concern about safety that all school districts are sharing in the wake of recent events both close to home and far away. The Northwest Local School District has many safety and security protocols in place. For the past several years we have been reviewing and strengthening these procedures. Every year, we file a very extensive safety plan with the department of homeland security. Each building has its own plan, and we also have a plan for the entire district. These plans are reviewed on a regular basis. Some of the protocols include but are not limited to:

A full time School Resource Officer for the district

Increased police presence

A strong relationship with the county Sheriff and the SWAT team

All doors are locked and visitors buzz in to the main office and leave ID

All staff members are trained at various levels of security

Cameras inside and outside of buildings

Several radio systems including a MARCs radio in each building

We are also working with the newly-formed county safety task force formed by the Sheriff, George Maier. Additionally, I have spoken with three different security companies and we will be undergoing a safety audit for our campus with one of those companies.

I am in the process of setting up some opportunities for small groups of parents and other stakeholders to gather and to talk about safety on our campus. Again, I also urge you to talk to your children about safety. Please remind them as well as others that actions or statements that create fear or incite panic, anxiety, or public alarm will not be tolerated verbally or on social media.

The safety and security of students is our top priority. Thank you for allowing us to partner in the education of your young people. We do not take this challenge lightly.

Title I/IDEA-B Flow Thru Notification

The Northwest Local School District receives notification of their entitlement of federal funds allocated in accordance with the Title I/Individuals with Disabilities Education Act (IDEA), Public Law 92-142. Utilization of the funds is designated to provide services and programs for struggling readers and disabled students. Person who wish to comment on how to utilize these designated funds are welcome and encouraged to contact Debora Clark, Director of Instruction, at 2309 Locust Street, S, Canal Fulton, OH 44614. The phone number is (330) 854-2291.

Community Day

Northwest Local School District held Community Day on Sunday, February 11, 2018. We would like to thank all of our community partners who participated in this event. Vendor booths, food, games, a pancake eating contest, musical performances, a martial arts demonstration and raffle baskets were just a few of the activities enjoyed by families and community members.

High School News

Man of the Year

On March 16th, 23 seniors participated in the 6th annual Man of the Year competition. We believe it was the strongest to date. What usually is a competition actually became a show!

The boys created some of the best talents and really worked hard to make the evening extremely enjoyable. When the top 5 contestants were announced, the rest of the troupe sat in the front row and cheered on all five, including each other. **Canyon Foster** (pictured right) took home the crown, but every guy deserved it. Truly! It really was a band of brothers for this Man of the Year!

Title I Evaluation

Each spring, parents and teachers evaluate the Title I program. Comments and input from both are used as plans are made for services the following school year. If your child is not receiving services or you would like to provide input on the Title I program please complete the survey that is available in all school offices or contact Debora Clark, Director of Instruction, at 2309 Locust Street, S, Canal Fulton, OH 44614. The phone number is (330) 854-2291. Surveys may be returned to any Northwest School Office or the Central Office.

Volley for the Pets

This was the third annual Volley for the Pets Charity Volleyball Game sponsored by National Honor Society. The event is open to all students. This year, 30 students participated in the volleyball games and 10 student volunteers helped to run the games. All proceeds will go to the Stark Humane Society. In the spring, the members of NHS will meet at the Humane Society, deliver their donation, and spend the afternoon walking the dogs. This year's event raised \$152.

McKinney-Vento Act

It is the policy of Northwest Local School District to enroll, educate and not segregate or stigmatize children on the basis of their status as homeless. Debora Clark is the Northwest Local School's Homeless Liaison and can be reached at (330) 854-2291. Any person suspecting a child is homeless should notify Miss Clark to ensure that homeless children enroll in school and have the opportunity to succeed academically.

OMEA Vocal & Instrumental Music Contest

BAND: Growing, Succeeding, and Welcoming New Members

The Northwest High School Symphonic Band had a successful performance on Saturday, March 3 at OMEA District Large Group Contest. They received ratings of excellence for their concert portion of Contest and a superior rating in sight-reading. Director Michelle Riendeau stated, "Overall I was very impressed with our student's performance and I greatly value the input the judges have given us as we continue to move forward."

The band is currently preparing for a Disney concert to tour at Northwest Primary and Stinson Elementary on Friday, April 27 and at the Middle School sometime during the first week of May. This concert will serve as an opportunity to entertain our students, demonstrate a variety of instruments and hopefully recruit students to join the Northwest Band Program. The band will also be performing this concert at Echoing Ridge Connections program as a community outreach as well in late April or early May.

Students who are interested in joining beginning band for 5th grade will have information made available to them at our concert on April 27. Our instrument tryout meeting will be on Thursday, August 16 with beginning band starting on the first day of school, August 22. Students in grade 6-8 are welcome to join band as well.

CHOIR: Headed to State Competition

The Northwest High School showcased five large group choirs at the OMEA District Contest on March 2nd at Lake High School. The Men's Chorus and Women's Chorus each earned an Excellent rating. This is a special accomplishment for these groups that formed last year and competed for the first time. The Chorale, Varsity Choir, and Concert Choir each were rated Superior and advanced to State Contest! In addition, the Chorale received unanimous Superior ratings in AA classification, the most difficult musical level. This places the Chorale firmly as one of the top high school choirs in Ohio as they prepare for State Contest at the end of April! Congratulations to director Mr. Douglas Beery and all of the students in the vocal program!

Leaders of the PAC!

(l to r) Front: Chase Badger, Landon Kieffer. Row 1: Coach Lower, Luke Fennell, Dustin Zellers, Joe Stockert, Eric Landrum, Avery Barna, Justin Gunter, Coach Ferrell. Row 2: Coach Cocklin, Grant Baughman, Cooper Ross, Scott Wormald, Trey Miletich, Kyle Luhring, Remington McClung, Jordan Appleman, Coach Cooper, Josh Blankenship.

Varsity Boys Pac-7 Champions

Coach Lower

The Northwest Boys Varsity Basketball Team concluded a phenomenal season with a record of 19 wins and 5 losses. The Indians hosted and won their first tournament game before falling at Tallmadge in the Sectional Finals. The boys dominated the PAC-7 and won the conference with a league record of 11-1. **Luke Fennell, Cooper Ross, and Scott Wormald** were named 1st Team PAC-7 while **Grant Baughman** was Honorable Mention and **Coach Lower** was recognized as Coach of the Year. Congratulations boys on a wonderful season and a year to remember!

(l to r): Coach Dave Cooper, Nate Swope, Aiden McCoy, Mason McMullen, Nick Dinkins, Davin Harness, Brady Schenz, Matt Swope, Anthony Grossnickle, Logan Wise.

Freshman Boys Pac-7 Champions

Coach Cooper

I am very proud of the effort and growth this team made throughout the season. Their commitment to improving every day led them to an undefeated 14-0 PAC record and conference championship!

(l to r) Front Row: Kaitlyn Edwards, Natalie Stough, Jayla Smith, Paige Owsiany, Kaylin Cargould, Kassidy Kimler. Row 2: Head Coach Duane Worden, Peyton Harter, Gracie Huth, Anna Nicholson, Megan Swogger, Brooke Stookey, Megan Glinky, Carly Spradling, Kathy Thouvenin, Taylor Fightmaster (scorekeeper), Coach Rick Prinkey. Not pictured: Gavin Laudermilk (scorekeeper).

Girls 8th Grade Pac-7 Champions

Coach Worden

Our first year in the Pac-7, our goal was to win the conference championship. We started pretty strong, but I felt we could play much better and we needed to gel as a team. Our record was 13-5, and our losses were to nearly undefeated teams. As the tournament began, we gelled at the right time, beating Fairless, Triway, and Manchester to win the Pac-7 championship. It was an exciting game as we won by two points! My team was dominated by past players **Carly Spradling, Brooke Stookey, and Megan Gilinshky**. I told the girls all the little things you do during a game add up to big things . . . good or bad . . . so we concentrated on doing those little things well. Thanks for a great season!

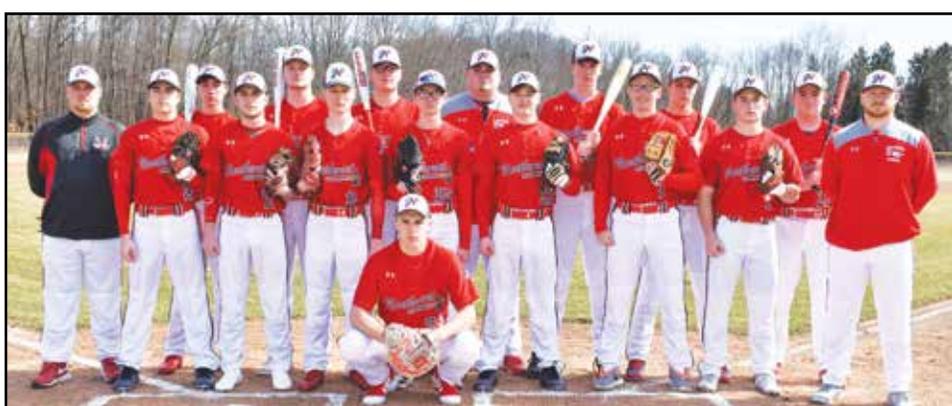

(l to r) Luke Greenfield (Mgr.), Trevor Szekely, Austin Wright, Dylan Rouse, Ethan Nickey, Noah Harper, Isaac LaFay, Braden Mick, Carter, Magyarics, Caden Beichler, Evan Schmeltzer, Garret Baughman, Coach Mack Ferrell. Not pictured: Zach Huscusson, Ray Stokes.

Boys 7th Grade Pac-7 Champions

Coach Ferrell

The 7th grade team came into the season with rather high expectations, so we knew that we needed to adjust our goals around those expectations. The team certainly earned their outstanding record of 18-0 and 14-0 in the Pac! The two things I'm most proud of are how hard they worked to achieve our season goals and how they moved the ball and played like a team. The future of Northwest basketball is very bright, and I can't wait to see what kind of impact this team can make for our program down the road.

Spring Teams

Varsity Baseball

(l to r) Catcher: Quaid Gatewood. Front row: Coach McCutchan, Joe McGuire, Canyon Foster; Bryce Munson, Joe Chiborosi, Jared Szekely, James Elliot, Collin Houser, Coach Workman. Back row: Jarod Weigand, Josh Blankenship, Cory Burroughs, Coach Maculaitis, William Rouse, Jackson Ogozalek, Cory Kohler.

JV Baseball

(l to r) Catcher: Owen Cunningham. Front row: Kyle Stockwell, Josh Robinson, Steven Sowards, Devin Stockwell, Jay Aaron. Back row: Coach Macko, Brandon Szekely, Ayden Burgner, Cole Edwards, Matt Paulson, Austin Hunter, Garrett Johnson, Gaige Zuk.

Freshmen Baseball

(l to r) Catcher: Brandyn Worker. Front row: Nick Smith, Ian Donahue, Luke Micklos, Steven Sowards, Nick Stevenson. Back row: Ian Hathaway, Nick Ridenour, Matt Paulson, Davin Harness, Garrett Johnson, Noah Lovett.

Coaches: Jim Shiplett, Barb Newton, and Brian Armstrong.

Mr. Ramos Goes Bald for St. Baldricks

The Middle School was presented with a goal of raising \$3,000 for St. Baldrick's which raises money for childhood cancer research. This cause is close to principal Mr. Ramos' heart because his best friend's sister lost her life to cancer. Through St. Baldrick's bracelet sales, teacher and student donations, and a very successful bake sale, we were able to reach our goal. We raised \$3,047. Thank you to everyone for their very generous donations!

20 5th Grade Celebration

What Do You Want to be When You Grow Up?

Stinson Students Explore Careers

Stinson's fifth grade students celebrated their second annual Career Day on January 26. The students had an opportunity to interact with several community members who shared their expertise in several different careers, some of which included horse trainer, engineer, dentist, optometrist, library director, fireman, pastor, vet, mayor, police officer, nurse, surgeon assistant, software developer, engineer, paramedic, and Stark Park educational programmers. Students were able to see a link between what they are learning in school to possible future careers.

Ohio places emphasis on encouraging students to think about their futures as early as kindergarten. In grades 3 and 4 at Stinson, Mrs. McKendry's May guidance lesson is centered on the topic of careers and helping students find the link between their interests and how growing their interests can lead to a future career.

In addition to learning a lot of valuable information from the guest speakers, the students completed an online career assessment that matched them up with several careers based on their answers. They learned about the many ways in which they need to prepare for a job interview and complete a job application. Most importantly, students learned that they have endless possibilities awaiting them in the future.

The students had an exciting day meeting our guests and learning all about the different professions that are taking place in the local community. We can't thank our volunteers enough for their time and enthusiasm, making our Career Day a success for our fifth grade students!

If you have a career that you would be interested in sharing for our 2018-2019 Stinson Career Day, please email Marcy McKendry at mckendry.m@northwest.sparcc.org.

Northwest Primary News

This year's honorees were Mrs. Vargas, Mrs. Keith, and Mrs. Reinford.

Kiss the Pig is another Success!

Thanks for grabbing all your spare change to benefit the **Wounded Warriors Project**® which helps thousands of injured warriors returning from the battlefield by providing assistance to their families and **Akron Children's Hospital** which works with many in our school and community and **Bountiful Gifts** which helps families in need.

Over \$1,300 was collected. Each class had a collection jar that looked like a pig. The teachers from each grade with the most money collected received honors to "KISS THE PIG!"

Multicultural Day

Northwest Primary students traveled the globe without leaving the building! As they traveled from classroom to classroom, students tasted the foods of Mexico, experienced African drums and dance, and learned about life on the early North American frontier. Colorful artwork adorned the hallways as students marched to Olympic music in a Parade of Nations. Multicultural Day is a tradition of fun-filled learning at Northwest Primary.

Fun with Science at NWP

Birds, rocks, flowers, blood, and static electricity were just some of the topics of science experiments displayed at the annual Family Science Fair on March 1st. Students and parents worked together to conduct experiments, collect data, and make displays. Students proudly presented their work and shared what they learned as Mr. LaRiccia interviewed them.

The following students participated in this year's event: **Grace Barkan, Drayce Bounce, Noah Bowling, Whitney Bradley, Riley Byler, Conan Clark, Charlotte Daily, Jolene Doherty, Olivia Ellis, Gage Fogle, Addison Griffin, Reed Grinder, Grant Holbrook, Joshua Little, Ireland McElhaney, Rachel Palmer, Zoey Pride, Max Repko, Jackson Ronca, Lukas Schanz, Calle Singer, Samuel Underwood, Nevaeh Williams, and Hazel Yankovic.** Everyone was a winner at this year's Science Fair!

What a Show!

While *Les Misérables* was Mrs. Beery's first production at Northwest, it marks the twentieth production that she has directed. Mrs. Beery spent ten years in New York City where she performed, directed, and taught drama and English. Holding a Master of Arts in theatre as well as a Master of Education in Curriculum and Instruction, Mrs. Beery truly showcased her expertise in an ambitious choice for this year's musical. What a show!
